MANUAL TIRE CHANGER 12772**

GAITHER 12772 MANUAL TIRE CHANGER

Thank you for purchasing a Gaither Tools product. Manufactured to a high standard this product will, if used according to these instructions and properly maintained, give you years of trouble free performance. The next generation 12772 manual tire changer offers a heavy duty design and all new clamping system. Equipped with a variety of accessories, this standalone, portable device can be operated easily without the need for electrical- or pneumatic power.

Due to its robust framework and tire mounting- and demounting lever it becomes possible to change a large variety of tires which sets it apart from alternatives in the market. The included adaptor ensures precise clamping and centering of wheels from 4"-21". The ideal solution while servicing motor cycle, scooter, ATV, car, racing and 4x4 tires.

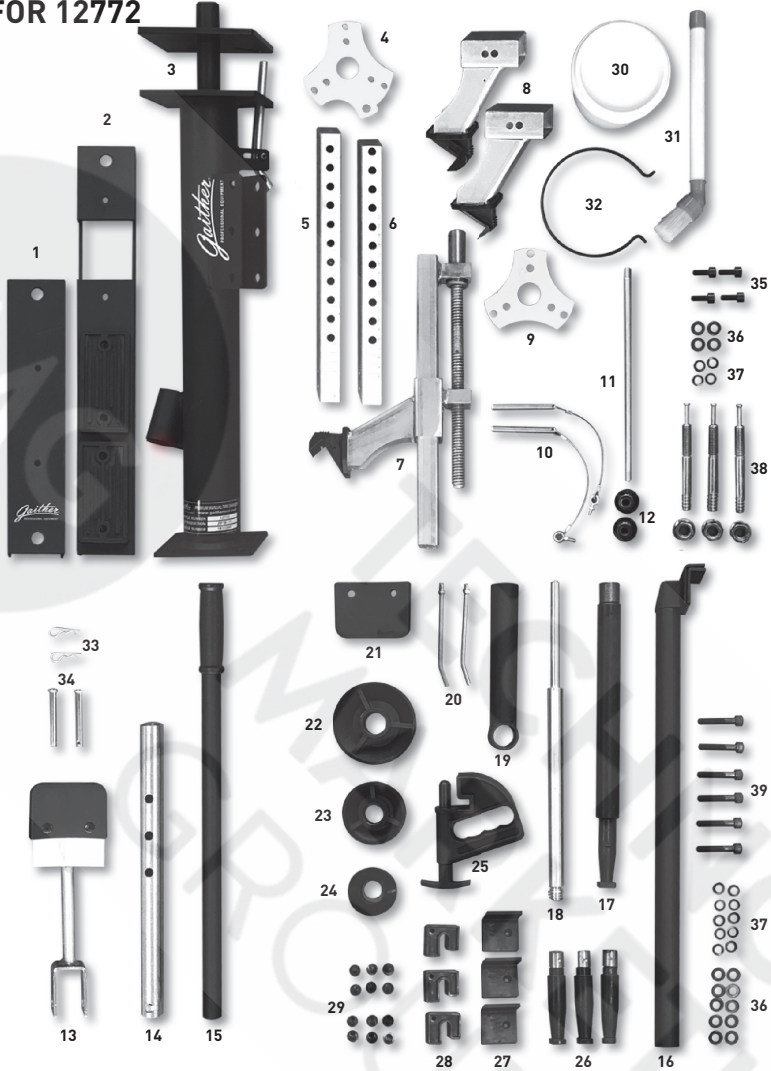

IMPORTANT:

PLEASE READ THESE INSTRUCTIONS CAREFULLY. NOTE THE SAFE OPERATIONAL REQUIREMENTS, WARNINGS AND CAUTIONS. USE THE PRODUCT CORRECTLY AND WITH CARE FOR THE PURPOSE FOR WHICH IT IS INTENDED. FAILURE TO DO SO MAY CAUSE DAMAGE AND/OR PERSONAL INJURY AND WILL INVALIDATE THE WARRANTY. PLEASE KEEP INSTRUCTIONS SAFE FOR FUTURE USE.

ABOUT US

Gaither Tool Company, Inc. founded in 1988, is an international organization committed to serving the tire and trucking industry. It invents and manufactures convenient tools and systems needed to service and maintain tires and wheel assemblies.

Gaither Tool Company, Inc. continually invests in research and development to bring to its customers the most effective tools in the business. It strives to improve efficiency and reduce costs for customers all over the world working in truck maintenance shops as well as on-the-road tire service providers. Bandag, Euromaster/Michelin, Bridgestone's First Stop, The United States Armed Forces... just to name a few.

Gaither supplies products to customers in over 100 countries, selling through exclusive and nonexclusive distributors. Gaither Tool Company, Inc. is headquartered in Jacksonville, Illinois, U.S.A. In 1997 it opened a branch office located in Roosendaal, Holland to better serve the European market. In 1999 that office was incorporated in Holland and Gaither Europe BV was started. Gaither's manufacturing plant and warehousing for International distribution is located in Taichung, Taiwan.

With a strategically placed location in both The United States and The Netherlands, we are able to serve the global industry
